English Excellence Contest in memory of Fabiola Giorli

Istituto Comprensivo "Jacopo da Volterra"-Scuola Media (a.s. 2016-2017)

a. Imagine there's no heaven
it's easy if you try
no hell below us
above us only sky.
Imagine all the people
living for today, a-hah...

b. Imagine there's no countries
it isn't hard to do
nothing to kill or die for
and no religion too.
Imagine all the people
living life in peace,you-huh...
(Refrain) You may say I'm a dreamer
but I'm not the only one.
I hope someday you'll join us
and the world will be as one.

c. Imagine no possessions
I wonder if you can
no need for greed or hunger
a brotherhood of man.
Imagine all the people
sharing all the world, you-huh...

(Refrain) You may say I'm a dreamer
but I'm not the only one.
I hope someday you'll join us
and the world will be as one.

Valentina Dessì-3C

**Imagine there's no silence
and all the people talk
about what they want
and the others accept it.
Imagine all the people
can have fun all days,ah-hah...**

Gaia Del Colombo-3B

**Imagine there's no art
it is possible if you try
because we all are art
and art is everything we do.
Without it we are none
and nobody can do nothing, you-huh...**

Chiara Volterrani-3B

**Imagine there's no rules.
With the pen draw your way
or write on a white page,
go along, take your road and stay.
Imagine all the people
carrying on their dreams, you-huh...**

Daniele Bartaloni-3A

**Imagine there's no darkness,
it is a terrible friend.
Imagine to give hope
to those who are in the water and in the sky
but nothing dies if it stays
in the heart of those who remain.**

Gianni Nardi-3B

**Imagine no division
it is a wall or war
no need for stereotype or hate
only love for us.
Imagine all the people
we all in the same world, ah-hah...**
